Uncovering the Tools to Study God's Word

The Bible is more than stories that kids hear about once a week. Kids fall in love with it as they study it, and allow it to impact their lives, helping them to understand the WHY's and HOW's of putting it into practice. It's important, and we'll learn to use all the tools to go deeper.

In The Doghouse:
Steven Russell

Please remember him through this week!

From the Hahn Family (David, Amanda, and Ophelia Mae): We want to express our deepest gratitude to the NLAC family for not only holding us in your prayers, but for your support of my parents (Barb and Jim Piersante) during this time. David is getting stronger day by day, and his doctors are confident that they did the best job possible and he'll be here with us for a long time. Prayer is powerful, and we definitely felt (and can still feel) it! Love y'all!
